Glen and One Stop Fun,

With the help of your generous donation, our 13th Acton Family Network Family Fun Day went off without a hitch!! Despite the hot weather, we had over 500 people in attendance. Thanks to you One Stop Fun, this year we added Pony Rides to the event in hopes that it would draw a crowd... And draw a crowd it did! The line to ride formed before the ponies were even saddled up and continued until the last pony was packed up and the trailer was leaving the park. Thank you, thank you, **THANK YOU** for your generous donation that made this new addition to Fun Day possible.

We surpassed our fundraising goal and are looking forward to another exciting year of event planning for families, children and parents. The fundraising from Fun Day will allow us to continue to provide programs to our organization at little or no cost to our members. These programs include story hour, craft hours for different ages and day trips to local area hot spots for kids! If you are interested, you can check out past newsletters to get a better look at our schedule of events at www.actonfamily.org. Also, you can find the link there to the article that was in The Beacon from Fun Day this year. We got great coverage!

Without your help, this event would not have been nearly as successful as it was. Thank you again for your generosity. We hope you will consider donating again next year.

Sincerely,

Mira Greenland
