Dear friend,

The Conant Elementary School would like to thank you for your generous donation to our Spring 2006 auction. Because of your generosity and that of other businesses and individuals in the community, we had a very successful auction this year. The funds raised by this event will help us maintain the current level of excellence in our schools even though local and state education funding have diminished over recent years. The Parent Teacher Organization (PTO) funds raised by our school auction support a wide range of activities in the elementary school from the purchase of basic classroom materials and supplies for teachers to reading assistants, a visiting authors program, assemblies and other special events that enrich our children's educational experience.

On behalf of all the teachers, students, parents, staff and volunteers at the Conant Elementary School, I want to thank you for your community involvement and generous donation to our school. We deeply appreciate your generosity and are grateful that you chose to support our PTO fundraising efforts this year.

Sincerely yours,

Mary Ashley
