Dear Ms. McPartlan,

Thank you for your gift of discounts on admission to your facility and for the welcome party for Fresh Air Fund children. We are truly grateful for your commitment to our Friendly Town program.

Since 1877, The Fresh Air Fund has touched the lives of more than 1.7 million children. We continue to rely on friends and the generosity of people *like you* to make our programs possible. Each child hopes for the opportunity to escape the hot city streets and spend summer vacation time with volunteer host families such as those in your community and the countless others throughout the northeast and Ontario Canada.

Swimming in a lake, running barefoot through the grass, milking a cow, gazing at the stars - your generous support makes it possible for us to continue providing these simple but memorable experiences to inner-city children.

Childhood flies by so fast, and being able to enjoy it is truly a gift. Once again, on behalf of the Fresh Air children and their grateful families, thank you so much for your support.

Sincerely,

Jenny Morgenthau
