One Stop Fun

Westford, MA 01886

June 2006

Dear Owner or Manager,

On behalf of our library's staff and patrons we want to thank you for your generous donation to our Summer Reading Program, **what's buzzin' at your library®**. Your business is a favorite in town, and the gift certificates you donated for admission to one karate or gymnastics class and one 1-on-1 hockey training will be a big hit with our patrons.

The interest that One Stop Fun has taken in our library and its programs has not gone unnoticed by our staff and patrons. We are pleased to see so many children enjoying reading, taking pride in their accomplishments, and being rewarded in a positive way.

Thank you for your continued support. Your gift will be acknowledged in our publicity for **what's buzzin' at your library®**.

Sincerely,

Abby Kingsbury
