Dear Manager,

Thank you very much for choosing to support the 4th Annual Casino Night Fundraiser for the Little Red Schoolhouse that was held on May 4, 2007. Our event was a wonderful success and we are delighted to report that as a result of generous donations of funds, services and products from various individuals and companies, we raised over \$12,000 for the preschool.

As you know, Little Red Schoolhouse is supported solely by the donations of money, time and effort from parents, community members and local businesses. We truly appreciate your generous support.

Respectfully,

Keely Penny
