Dear Kirstin,

On behalf of the Oak Meadow Montessori School Parents Association, I thank you for your raffle donation of *Admission Coupons* in support of our recent Fall Bazaar.

It was a beautiful day at the Bazaar, enjoyed by all who attended and browsed the many items for sale. Proceeds from the yard sale, bake sale and raffle raised \$1,400 to support school community activities throughout the coming year, including; parent education programming and community events.

Oak Meadow's success is directly impacted by the commitment and contributions of our friends and neighbors. Thank you for support.

With sincere thanks,

Erin L. Palmer
Director of Development
