Dear Jenn,

On behalf of the Ronan McElligott Memorial Playground committee, I would like to thank you for your generous donation of \$200 to Westford Friends of Recreation.

Your generosity will help us to make a barrier-free playground a reality for the children in this community. Nationwide, one in ten children — children just like our son Ronan — have a disability that makes using a traditional playground difficult or impossible. Siblings and friends of these children, as well as adults with disabilities, also face challenges when visiting most playgrounds. For these families, this playground *will* make a difference.

We're very excited about the impact this playground will have on the children in the community. To have a place where all children can play together — regardless of their physical or developmental abilities — is a much-needed addition to our community and a meaningful memorial to our son.

I hope you will visit our project website at www.westford.com/ronansplayground over the coming months to see how the playground is progressing thanks to the generosity of donors like yourselves. I would also encourage you to contact me directly with any questions. I can be reached by email at ssmcelligott@comcast.net or by phone at (978) 692-9065.

Once again, thank you for your generous support.

Sincerely,
