

*Of all the pleasures that the Holiday Season brings us,  
On this magical day, we saw eager young children and their families waiting for the  
arrival of Santa in his helicopter on St. Mark's field. Then, nearly 250 children and  
their families crossed the road to the Community House where they met Santa's elves,  
received a small toy, were entertained by a musician, enjoyed cookies, cider and hot  
chocolate, decorated a picture frame and visited with Santa.  
We greatly appreciate your contribution to Santa Day and,  
Enjoy the opportunity to say,  
Thank you*
