Benefits and Details on Reverse Side

Cost: For families with 1 child, \$199 one time payment per family for unlimited use of indoor playground for one calendar year. For families with 2 children, \$249 one time payment per family for unlimited use of indoor playground for one calendar year. For families with more than 2 children, \$299 one time payment per family for unlimited use of indoor playground for one calendar year. As an alternative, families can elect to pay \$20/month (1 child) or \$25/month (2 children) or \$30/month (more than 2 children) (credit card will be automatically charged on the first day of each month), provided that they make a 12 month commitment. This membership includes open gyms from Sept to May on Tues, Thurs and Fri at 12:00, but does not include special events.

Special Events: Access to special events is at the member rates. For example, during the 2010-2011 school year Carnival Days cost \$12/child for members and \$17/child for non-members.

Pool: Access to pool is at the member rate. In 2011 the cost was \$12/child.

Guests: Ultimate Indoor Playground Members may bring friends at the member rate (\$6/child for the indoor playground, usually \$12 for special events). Of course, adults are still free.

Discounts/Other Benefits: Ultimate Indoor Playground Members receive a free cake if they have a birthday party here and 10% off apparel purchases.
